

Men, Women & Leadership

September 2016 · 907 responses

81% selected the primary servant leadership response.

1

81%

Men and women are equal yet different and so men should be the primary servant leaders in both the home and church

2

8%

Other

3

6%

Men and women are equal and so leadership in the home and in the church should be intentionally equal

4

5%

Men and women are equal but the one most gifted in leadership should be the one to lead in the home and in the church regardless of gender

Survey question

What do you believe the Bible states regarding men, women and leadership?
